ABOUT ME

I am a detail-oriented and driven individual with a strong passion for front-end development. I have a solid understanding of HTML, CSS, JavaScript, and ReactJS. I am familiar with agile development methodologies and have experience collaborating with team to deliver high-quality projects. I am always eager to learn and stay up-to-date with the latest industry trends and technologies.

WORK EXPERIENCES

GEEK UP

08/2023 - 11/2023

Internships Front-End Developer

- Produced high-quality, clean code for client projects.
- Worked with various teams and stakeholders to create and maintain digital experiences for multiple company products.
- Implemented 2 -3 modules for the product.
- Contributed to digital technology projects from concept to implementation.
- Estimated project scope and participated in design discussions and code reviews.
- Take part in the product interface design process to help users have a comfortable experience and easily manipulate functions
